(b) in the case of an airship or balloon, the weight when deflated including the weight of the liquid in the system, when fitted with liquid-cooled engines, and the ballast containers being empty.

3. In every case (other than the case of prototype aircraft or series aircraft referred to in paragraph 4, or a glider where the maximum total weight authorized for the glider, to be shown in the Certificate of Airworthiness, does not exceed 2,000 lb), in which the Director General is satisfied that the work of the officers of the Department in carrying out any investigation in connection with an application for a Certificate of Airworthiness in respect of a prototype aircraft has been materially reduced :-

- (a) by reason of the Director General having issued or considered an application for the issue of a Certificate of Airworthiness in respect of an aircraft of similar design ; or
(b) by reason of his accepting in connection with the application reports from persons other than officers of the Department.

the fee chargeable under the last foregoing paragraph may be reduced by such amount as is, in the opinion of the Director General, proportionate to the reduction of the work as aforesaid.

Provided that, any reduction allowed under Sub-paragraph (b) of this paragraph shall not exceed Fifty per centum of the sum remaining chargeable after the appropriate reduction (if any) has been made under Sub-paragraph (a) of this Paragraph.

4. Where an application is made for the issue of a Certificate of Airworthiness in respect of a series aircraft, being an aircraft in respect of which a Certificate of Airworthiness has not previously been issued, the fee chargeable in respect of the issue of the certificate which is the subject of the application (including any investigation required in connection therewith) shall be Rupees One Thousand Three Hundred in the case of a glider where the maximum total weight authorized for the glider, to be shown in the Certificate of Airworthiness, does not exceed 2,000 lb., and in any other case shall be as follows :-

	Rs. c.
(a) Where the maximum total weight authorized for the aircraft, to be shown in the Certificate of airworthiness, does not exceed 10,000 lb.	6,500 0
(b) Where the maximum total weight authorized for the aircraft, to be shown in the Certificate of Airworthiness, exceeds 10,000 lb. -	
(i) in respect of the first 10,000 lb.	6,500 0
(ii) in respect of each additional 1,000 lb. or part thereof	750 0

5. The fee chargeable in respect of the renewal of a Certificate of Airworthiness (including any investigation required in connection with the application thereof) shall be Rupees One Thousand Three Hundred in the case of a glider where the maximum total weight authorized for the glider, as shown in the Certificate of Airworthiness, does not exceed 2,000 lb. and in any other case shall be in accordance with the following Sub-paragraphs :-

	Rs. c.
(a) Where the maximum total weight authorized for the aircraft as shown in the Certificate of Airworthiness, does not exceed 2,000 lb. :	1,300 0
(b) Where the maximum total weight authorized for the aircraft as shown in the Certificate of Airworthiness, exceeds 2,000 lb. -	
(i) In respect of the first 2,000 lb. ;	1,300 0
(ii) In respect of each additional 200 lb. or part thereof	150 0

6. (1) The fee chargeable in respect of the issue of a validation of a Certificate of Airworthiness (including any investigation required in connection with the application thereof) shall be the same as the fee which would be chargeable under Paragraph 2 of this Schedule in respect of the issue of a Certificate of Airworthiness in the case of the aircraft in connection with which such validation is issued.

Provided that, where in the circumstances of any particular case the Director General is of opinion that the fee so chargeable may be reduced, he may authorize the reduction thereof by such amount as appears to him to be reasonable.

(2) The fee chargeable in respect of the renewal of such validation (including any investigation required in connection with the application thereof) shall be the same as the fee which would be chargeable under the last foregoing paragraph in respect of the renewal of a Certificate of Airworthiness.

7. The fees chargeable in respect of the approval of an engine pursuant to Paragraph (1) of Regulation 19 of these Regulations (including any investigation required of the purpose of such approval) shall be in accordance with the following scale :—

(a) Where the power output of the engine (as determined by the Director General after the application of such test thereof as may be prescribed) does not exceed —
