

Form/CAA/AMS/05/B

Civil Aviation Authority of Sri Lanka

How to obtain a Medical Certificate
Medical Examination Procedure
Renewal

1. The prescription or Medical Certificate (Class I) shall be submitted to the specified counter of below mentioned Designated Hospitals and complete all medical tests through the said counter.
2. The prescription or Medical Certificate given for investigations will not be reissued. It is your responsibility to keep it safe until you produce it before the Designated Hospital. If the original is lost, a duplicate can be obtained by paying a fee according to the CAASL fee schedule.

Designated Hospitals are;

- I. Durdans Hospital, No.03, Alfred Place Colombo 03
 - II. Asiri Surgical Hospital, Kirimandala Mw, Colombo 05
 - III. Lanka Hospital, Elvitigala Mawatha, Colombo 05
 - IV. The Central Hospital No. 114, Norris Canal Rd, Colombo 10
 - V. Nawaloka Hospital, Colombo Rd, Negombo.
3. **Once you complete all tests, go to CAASL web site aero medical appointment system to obtain an appointment for the medical examination at Aeromedical Services. (Web site - www.caa.lk)**
 4. The reports will be delivered by the designated hospitals to the Aeromedical Centre directly, reports will not be accepted by hand from the client.
 5. Present yourself for the medical examination on given date and time. If you unable to present for the given date, kindly inform us at least 24 hours prior. Fresh appointment will be given according to the availability of slots. If a client does not inform on his absenteeism prior to 24hrs, he/she shall pay cancellation fees prior to obtaining a fresh appointment.
 6. Submit perfected Medical application form (CAA/PL/E/01) collected or downloaded from our web site (www.caa.lk).
 7. Renewal fee for medical evaluation is per the CAASL fee schedule.
 8. Contact numbers of Aero Medical Services **0112358974/0112358972.**
 9. We are conducting Medical examinations Monday to Friday working days from 10.30 to 12.30hrs.
 10. More information contact 0112358974/0112358972 (Aero Medical Services).
